RE: Baker Commercial Landscaping, Inc.
2699 N. Forsyth Road, Suite 111
Orlando, FL 32807

To Whom It May Concern:

Since December, 2007, when I purchased the plaza at 1720 S. Orange Blossom Trail, Apopka, I have been using Baker Commercial Landscaping for all my lawn and property maintenance. They have proved to be not only proficient in their work, but diligent and professional in their dealings with both my tenants and my office staff.

In particular I would like to laud the performance of your account manager, Bob Carpenter. He is dedicated to serving his customers and promptly responds to all requests. Any questions I may have had concerning landscaping maintenance have been addressed by him in a timely fashion.

I would happily recommend Baker Commercial Landscaping, Inc. to my business associates.
