To Whom It May Concern:

Re: Baker Commercial Landscaping

It is with great pleasure to provide this letter of reference for Baker Commercial Landscaping. We have worked together for several years and it has been an above average working partnership.

Baker is a very proactive company in both landscaping and irrigation services. It is not at all uncommon for them to bring items and issues to my attention. They courteously call to outline a problem and give a solution and bid all at the same time.

The Baker team is trustworthy and thorough but should there be a problem brought to their attention, it is handled quickly and efficiently. I have been able to call upon them to perform emergency repairs or replacements and have yet to be disappointed.

I would highly recommend Baker to any other company without hesitation and would be glad to answer any questions or provide any further comment needed. I can be reached at 407/244-7106.

Sincerely,

Debbie Chamberlain
